

# FOPBSS Hospitality Crew for PBMS Teachers and Staff

Help FOPBSS show its love and appreciation to PBMS teachers and staff by arranging a monthly hospitality treat at school this year! It's easy and fun. Here's how to do it:

1. **Sign up for your preferred month** on our [hospitality sign-up sheet](#).
2. **Notify Love Zubiller ([lovelyz@gmail.com](mailto:lovelyz@gmail.com)) of the day and time** your treats will be dropped off that month. Love will confirm the arrangements with the front office and can meet you at the school that day (if needed).
3. **Make and deliver your treats** with these guidelines in mind:
  - There are 65 total individuals at the school (teachers + staff).
  - Treats can be homemade, store-bought, garden-grown, catered, etc.
  - Treats can be edible or not edible.
  - There is no budget from FOPBSS for this program; everything is voluntary/donated. **Please do not feel the need to spend a lot of money or time on this**— see page two of this flyer for affordable and easy ideas!
  - Don't forget napkins, silverware, etc. (as needed); FOPBSS and/or PBMS can also provide these if needed.
  - Your treats can be arranged on the table in the workroom or left in individual staff mailboxes (whichever you prefer).
  - Include a message of appreciation to the teachers/staff on the table or with each treat. Be sure to note that the treats have been provided by your family and given to the school on behalf of FOPBSS.

Not looking for the formality of this program? Just want to bring in some homegrown fruits from your backyard or packaged treats from Costco? You can do that! Contact Love Zubiller ([lovelyz@gmail.com](mailto:lovelyz@gmail.com)) and we'll make it work!

Thank you very much for supporting our staff and teachers!!! A little love goes a long way!

# Hospitality Ideas

Here are some ideas for teacher and staff appreciation treats. You can be as creative or as simple as you like. Your treat can have a special theme (e.g., Thanksgiving, Lunar New Year, Valentine's Day, etc.), or it can just be something you enjoy baking. For additional inspiration, search for "teacher treat (or snack) ideas" on Pinterest or Google.

Have fun and thank you for your support!
